Note regarding base location of yachts

Our yachts are available to charter from our main base in Volos port (operating all year round) and from our second base in Loutraki harbour, on Skopelos Island (operating mid-May to early October). For charter requests from Skiathos, we highly advise chartering from our base in Loutraki harbour instead (opposite to Skiathos port), as we have facilities there, mooring space and can better serve our clients. Please note that Loutraki harbour is only a 20-minute ferry ride from Skiathos Port.
