Note regarding base location of yachts

Our yachts are available to charter from our main base in Volos port (operating from April to October) and from our second base in Loutraki harbour, on Skopelos Island (operating from mid May to early October). Please note that Loutraki harbour is just opposite to Skiathos port. For charter requests from Skiathos, we highly advise chartering from our base in Skopelos where we have facilities, mooring space and can better serve our clients.

**All of the Loutraki based yachts are available in Volos when Loutraki base is not operating.
